Synopsis

The Catholic Church has apologized on various occasions for past sins. However, there still remain eight sins for which they will not ask forgiveness as doing so would mean losing their position and aura of power. Whether we like it or not, the Church is very present in Spanish society and politics. Consequently, it is important to understand its base, its truths, and its historical evolution. This book seeks not to criticize the discourses or actions of the Church, but rather to analyze those methods that this institution has used to arrive at its current position of power and status in society.

Biography

Ana Martos has lectured at numerous university conferences and courses related to ancient and medieval history. She has degrees in psychology, computer science, and music. In 1992 her dream of leaving the business world to take up writing became a reality. Since then she has traveled all over the world and has carried out a wide range of activities such as flying without motor and the interpretation of medieval music.

She has written various technical, scientific, essay style, and fictional books. Of note, she wrote *Los 7 Borgia*, *Pablo de Tarso: ¿Apóstol o hereje?*, and *Papisas y Teólogos*.
